

**TASK 2: DIALOGUE (INTERNET DATING)**

**Your friend has recently decided to join a dating website and she/he has told you that she/he is going to meet someone she/he met on the online dating website last week.**

- **Ask your friend why she/he has decided to join an online dating website, explain why you believe it is a bad idea: i.e., dating websites may be scams to get your personal information to use for identity theft, etc.**
- **Convince your friend that it is a bad idea to meet with the person she/he had met on the dating website. Explain the dangers with online dating such as people can lie about their personal information, etc.**

**NOTES****TASK 2: DIALOGUE (INTERNET DATING)**

**You have recently decided to join a dating website and you have told your friend that you are going to meet someone you met on the online dating website last week.**

- **Tell your friend why you have decided to join this site, i.e., it allows you to connect to more people, it's easier to meet people, etc.**
- **Your friend tells you that you shouldn't meet anyone you've met online. Explain to him/her why you think it's not a problem/it's safe.**

**NOTES**
